Grecia Ruvalcaba won the ASG Basket Drawing

Black History Month was created to focus attention on the contributions of African Americans to the United States. It honors all Black people from all periods of U.S. history, from the enslaved people first brought over from Africa in the early 17th century to African Americans living in the United States today.

Carter G. Woodson was a scholar whose dedication to celebrating the historic contributions of Black people led to the establishment of Black History Month, marked every February since 1976.

Woodson chose February for reasons of tradition and reform. It is commonly said that Woodson selected February to encompass the birthdays of two great Americans who played a prominent role in shaping black history, namely Abraham Lincoln and Frederick Douglass, whose birthdays are the 12th and the 14th, respectively.

Thank you so much to everyone who participated and to everyone who came to enjoy themselves.

A special thank you to Ilona Missakian who put together the beautiful presentation!
