MESSAGE IN A BOTTLE

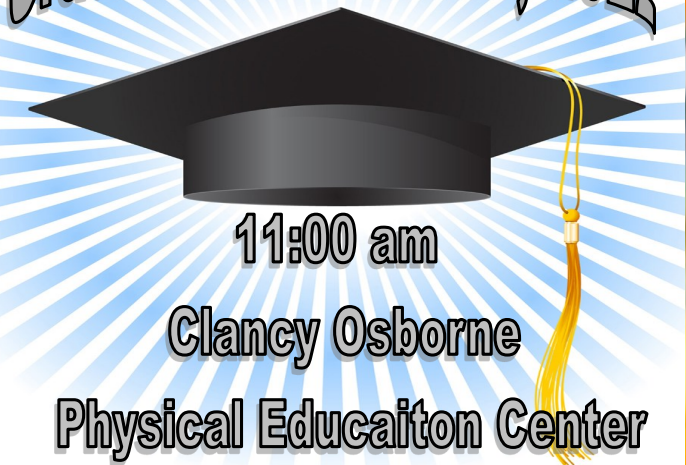

As Finals approach ASG would like to wish students good luck on their last few weeks of classes. We would like to remind students to enroll for classes next semester and tie up any loose ends so that they may enjoy their summer break. And for those who are taking Summer classes, those are quickly approaching as well

What's Going On

Staff and Students!

May 1st is **National Infertility Survival Day**. When celebrations that include parenthood creep up, those struggling with infertility find it to be an especially difficult time. While their grief in no way intends to deny their continued hope or any celebration of parenthood, only those who've faced the pain of infertility truly understand the loss that often comes with it.

Melanoma Monday on the first **Monday in May** is an awareness campaign during National Melanoma Month. The American Academy of Dermatology has set aside this day to raise awareness about skin cancer.

Starting **May 3rd**, National Teacher Appreciation Day, also known as National Teacher Day, recognizes dedicated educators across the country. As part of Teacher Appreciation Week, the celebration takes place on the Tuesday of the first full week in May each year.

Also on **May 3rd** we observe National Foster Care Day. If you were a Foster Youth, please contact Financial Aid to see if you qualify for the CHAFFEE Grant

May 5th is Cinco De Mayo which is a day we celebrate Mexican-American heritage and pride!

May 17th marks the annual parade of academic achievement and National Graduation Tassel Day. The day celebrates the accomplishments of every graduate!

Each year on **May 12th**, millions of people observe National Fibromyalgia Awareness Day.

National Missing Children's Day on **May 25th** each year shines a spotlight on child safety.

On **May 31st**, Necrotizing Fasciitis Awareness Day shines a light on this rare disease.

On **May 5th**, National Silence the Shame Day brings an opportunity to continue the conversation about mental health and wellness and erase the stigma associated with mental illness.

National Student Nurse Day takes part in National Nurses Week on **May 8th**. The day honors student nurses as they pursue a career in medicine.

World Multiple Sclerosis Day on **May 30th** creates an opportunity to boost awareness and connect those with MS to resources and improve support systems.
