Breast Cancer Awareness Month

Breast Cancer Awareness Month, also referred to in America as National Breast Cancer Awareness Month, is an annual international health campaign organized by major breast cancer charities every October to increase awareness of the disease and to raise funds for research into its cause, prevention, diagnosis, treatment and cure. The campaign also offers information and support to those affected by breast cancer. Breast cancer awareness month is a yearly campaign that intend to educate people about the importance of early screening, tests and more. This campaign starts on October 1st and ends on October 31st every year.

★ Navy Day

Navy Day is the original day to celebrate the U.S. Navy, and though this celebration officially

was replaced by Armed Forces Day (Third Saturday in May for the U.S.) in 1949, the celebrations of Navy Day continue on, especially within the Navy itself. Additionally, research undertaken in the 1970s showed the 'true' birthday of the US Navy to be October 13th, and the date was officially changed – however, the entrenched celebration still holds sway, and October 27th is still generally celebrated instead.

Do Something Nice Day

Do something nice. The something can be anything from buying a cup of coffee for someone in line at the coffee shop to giving a compliment to the tired clerk. Maybe the day calls for sending flowers with a card that says "just because," or asking the neighbors over for a barbecue in the backyard or mowing the lawn for someone.

Baseball Ticket Drawing

September 24, was the drawing for the baseball tickets. The tickets were for the Diamondbacks vs. San Diego Padres. The game will be played at the Chase Field in Phoenix, Arizona. A big congratulation to Steve Currier for being the winner of these baseball tickets. ASG would like to thank you for you support and we hope you enjoy the game. To the left is a picture of the winner and his daughter.

9/11 Moment of Silence

On September 11, 2001, terrorists attacked the United States. They hijacked four airplanes in mid-flight. The terrorists flew two of the planes into two skyscrapers at the World Trade Center in New York City. The impact caused the buildings to catch fire and collapse. Another plane destroyed part of the Pentagon (the U.S. military headquarters) in Arlington, Virginia. The fourth plane crashed in Shanksville, Pennsylvania. Officials believe that the terrorists on that plane intended to destroy either the White House or the U.S. Capitol. Passengers on the plane fought the terrorists and prevented them from reaching their goal. In all, nearly 3,000 people were killed in the 9/11 attacks. Today we mourn those who were killed in this dreadful attack and honor those who gave their lives for our country. Peace be with all the families who lost loved ones on the fateful day September 11th.
