College Catalog 2008-2009
Addendum #1
(Approved by Board of Trustees October 28, 2008)

DESCRIPTION OF COURSES SECTION

DESCRIPTION OF COURSES (Pages 80-213)

COURSE ADDITIONS:

PHYSICAL EDUCATION

PHE 106 BOWLING®
1 unit  
Course length: 3 hours laboratory
This course is designed to acquaint the student with the basic skills and understanding of bowling as a lifetime leisure activity. Students may take this course up to four times for credit.

PHE 111 VOLLEYBALL®
1 unit  
Course length: 3 hours laboratory
The purpose of this course is to develop physical skills in the game of volleyball. Students may take this course up to four times for credit.

PHE 112 VOLLEYBALL THEORY
3 units  
Course length: 3 hours lecture
The purpose of this course is to take a theoretical approach to the game of volleyball.

PHE 135 WEIGHT TRAINING®
1 unit  
Course length: 3 hours laboratory
This class is designed to introduce the student to basic weight training as a means of fitness. Students may take this course up to four times for credit.

PHE 136 WEIGHT TRAINING THEORY
3 units  
Course length: 3 hours lecture
The purpose of this course is to take a theoretical approach to weight training.

PHE 141 TENNIS®
1 unit  
Course length: 3 hours laboratory
This course introduces the student to the fundamental skills of tennis. Students may take this course up to four times for credit.

PHE 142 TENNIS THEORY
3 units  
Course length: 3 hours lecture
The purpose of this course is to take a theoretical approach to tennis.
PHE 143 BADMINTON®
1 unit                                     Course length: 3 hours laboratory
This course introduces the student to the fundamental skills of badminton. Students may take this course up to four times for credit.

PHE 144 BADMINTON THEORY
3 units                                     Course length: 3 hours lecture
The purpose of this course is to take a theoretical approach to badminton.

PHE 145 BASKETBALL®
1 unit                                     Course length: 3 hours laboratory
This course introduces the student to the fundamental skills of basketball. Students may take this course up to four times for credit.

PHE 147 SELF DEFENSE®
1 unit                                     Course length: 3 hours laboratory
This course introduces the student to the fundamental skills of self defense. Students may take this course up to four times for credit.

PHE 148 SELF DEFENSE THEORY
3 units                                     Course length: 3 hours lecture
The purpose of this course is to take a theoretical approach to self defense.

PHE 149 SOFTBALL®
1 unit                                     Course length: 3 hours laboratory
This course introduces the student to the fundamental skills of softball. Students may take this course up to four times for credit.

PHE 151 GOLF®
1 unit                                     Course length: 3 hours laboratory
This course introduces the student to the fundamental skills of golf. Students may take this course up to four times for credit.

PHE 153 SOCCER®
1 unit                                     Course length: 3 hours laboratory
This course introduces the student to the fundamental skills of soccer. Students may take this course up to four times for credit.

PHE 154 SOCCER THEORY
3 units                                     Course length: 3 hours lecture
The purpose of this course is to take a theoretical approach to soccer.

COURSE REVISIONS:

PHE 110 STRENGTH AND FLEXIBILITY®
1 unit                                     Course length: 54 hours laboratory
This low-impact course is designed for individuals of all fitness levels, who want to increase their overall movement efficiency and strength while developing the mind-body connection associated with movement. Students will be introduced to principles of proper alignment, core and extremity strength, flexibility, balance, and coordination through a series of mat exercises that use gravity and body weight as resistance. Students may take this course up to four times for credit.
NEW ASSOCIATE OF SCIENCE DEGREE:

A.S. DEGREE IN WELDING TECHNOLOGY
