Procedure for Evaluation of Transcripts

Palo Verde Community College students are required, prior to the end of the semester, to complete and submit a Request for Transcript Evaluation Form available in the Student Services Department. The counselor will then provide the student with the results of the transcript evaluation. The student may petition for further review by a panel and a determination will be made based on the review. Transcripts will not be evaluated during registration periods nor will transcripts be evaluated for individuals not currently enrolled at Palo Verde College.

International transcripts must be evaluated by an international evaluator before we will accept credits.

The institution requires that all transcripts be sealed documents and be sent to Palo Verde College:
