Applicant Signature Date

NOTE: The application for licensure requires FBI and Dept. of Justice background checks. After the applicant completes the program and passes the licensure exam (NCLEX-PN), any arrests/convictions will be subject to review by the Board of Vocational Nursing and Psychiatric Technicians (BVNPT). The BVNPT will then make the decision **whether or not** to grant a license. PVC does not advise applicants on possible BVNPT decisions.

PVC ensures its clinical partners that nursing students meet the requirements to train at their facility. Should the applicant’s background disqualify him/her from participating at the clinical site, the applicant will not be admitted to the program. Once admitted, if a facility disqualifies a student from participating at their clinical site, the student will be withdrawn from the program.
