

Survey Highlights #6

Segment Analysis of Item 031: The campus is safe and secure for all students.

This analysis focuses on selected characteristics of students responding to this item, which is classified as an area of “Challenge” for the College because students perceived it as having high Importance and either low Satisfaction or high Gap. The boxed figures highlight areas of exceptionally large Gap, that is, ≥ 0.90 .

31. The campus is safe and secure for all students.

This segment—students whose education goal is “self-improvement”—would suggest primarily students taking courses at Spring Street, and is consistent with problems about campus security identified in Item 24, as discussed in *Survey Highlights # 13*.

Security concerns with the Needles Center are also evident in Item 24, as discussed in *Survey Highlights # 13*.
