

Survey Highlights #8

Segment Analysis of Item 065: Students are notified early in the term if they are doing poorly in a class.

This analysis focuses on selected characteristics of students responding to this item, which is classified as an area of “Challenge” for the College because students perceived it as having high Importance and either low Satisfaction or high Gap. The boxed figures highlight areas of exceptionally large Gap, that is, ≥ 0.90 .

65. Students are notified early in the term if they are doing poorly in class.

Early notification of poor academic performance is a concern expressed by virtually all age segments, and well over 50% of total respondents to the survey.

Early notification of poor academic performance is of particular concern to students seeking associate degrees and students seeking transfer, particularly at the Main campus and at the correctional facilities.
