What's Going On?

April Fools Day

April Fools' Day on April 1st has long been a day when practical jokes and tricks are played on the unaware

National Flash Drive Day

National Flash Drive Day on April 5 commemorates the date inventors filed their patent for the first USB Flash Disk. Their invention revolutionized the way we store and manage digital data!

Remember to submit your taxes on April 15th!

National Administrative Professionals' Day

Also known as Secretaries Day or Admin Day, recognizes the professionals who keep an office running smoothly every day.

World Autism Awareness Day (WAAD), on April 2nd each year shines a bright light on a growing global health crisis.

According to the National Autism Association, Autism affects 1 in 59 children. The bio-neurological developmental disability usually presents itself by the age of three, and it is more prevalent in boys than girls.

National Student Athlete Day

National STUDENT-Athlete Day (NSAD), observed annually on April 6th, provides an opportunity to recognize the outstanding accomplishments of student-athletes.

In the United States, nearly 8 million student-athletes compete in team and individual sports. Not only do they succeed in athletic programs such as track and field, baseball, volleyball, and lacrosse, but they excel academically, too. Additionally, the day recognizes student-athletes who have a positive impact on their communities while maintaining and earning GPAs of 3.0 or higher.

Keep up the great work!

In Memory of Joseph "Joe" Liccariadone funds were generously donated to ASG to further support our cause, with these fund we were able to purchase new tables and chairs for students to enjoy while on campus. ASG would like to thank you for your donation.

Thank You!
