Number of students that met or exceeded the baseline:
Number of students assessed:
% of students that met or exceeded the baseline:
SLO #2
Number of students that met or exceeded the baseline:
Number of students assessed:
% of students that met or exceeded the baseline:
SLO #3
Number of students that met or exceeded the baseline:
Number of students assessed:
% of students that met or exceeded the baseline:

.

Are you satisfied with the assessment results?

What conclusions do you draw from these results?

What changes, if any, would you like to make to the CLO?

Considering the results of your CLOs, what actions are you going to take for the next time you teach this course?
