

2023-2024 FAFSA Income and Household Size Verification Form

The Department of Education has selected your 2023–2024 Free Application for Federal Student Aid (FAFSA) for a process called verification. The law states that before awarding Federal Student Aid, PVC must confirm the information reported on your FAFSA. PVC will compare the information reported on your FAFSA with the information on this worksheet and any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent (if dependent), must complete and sign this form, and submit it along with any required documentation to the financial aid office. We may ask for additional information. If you have questions about the verification process or requirements, please contact us. Documents that are missing required signatures are considered incomplete. Incomplete or missing required documentation will cause a delay in the award process.
