The U.S. Department of Education flagged your 2025-2026 FAFSA for Unusual Enrollment History (UEH) review because you received Federal Pell Grant and/or Federal Direct Loan funds from multiple institutions during the review period that includes the 2021-2022, 2022-2023, 2023-2024, and 2024-2025 academic years. This flag requires PVC to review your enrollment history to determine aid eligibility. Please submit this completed form along with all required documentation to the Financial Aid Office. Forms submitted with missing documentation including any prior college transcripts will be considered incomplete and will not be processed.

### Step 1: Previous College/University Attended

- Previous College(s) - list ALL colleges previously attended during the review period in the table below, including Palo Verde College (if applicable). If additional space is needed, attach a new page listing all schools attended and include your name and student ID at the top of each page.
- Academic Transcript(s) - your academic transcripts will be requested from the Admissions & Records Office. If any transcripts are not on file, you are required to submit unofficial transcript(s) to the Financial Aid Office to complete the UEH review process. For transfer credit evaluation, all official transcripts must be submitted to the Admissions Office.

Name of College(s)	Dates Attended	Academic Credit		Transcript(s) Submitted?
