

Fire Science Chief Office Certificate, COA

Students who wish to concentrate on meeting the requirements for Fire Chief Officer for entry level employment in the fire service or promotional opportunities will develop the required knowledge, skills and abilities in the area of Fire Chief Officer and in fire suppression, fire prevention, training and administration. Opportunities also exist with private industry safety programs, insurance companies and fire equipment manufacturing firms. Through the expertise of the faculty and the exposure to professional fire service personnel, students can expect to be trained in the latest theories and techniques as a Fire Chief Officer and in fire technology, firefighting skills and emergency medical training.
