

PVC CAREER LEADERSHIP AND MENTORSHIP PROGRAM

Dear Community Partner,

The Palo Verde College Career, Leadership and Mentorship Program seeks your leadership skills and career expertise as a mentor to our students. The PVC Career, Leadership and Mentorship program is designed to assist students in discovering interests, developing motivation and will help them become successful leaders. The leadership/mentorship program would drive the personal and professional development of students through their mentor -YOU.

Our goal is to enhance the student experience through collaboration with community partners to fill training needs that may not otherwise be available in standard college courses offerings. You have been identified as an individual who is passionate and motivated, and PVC students would benefit tremendously from your guidance.

The PVC Career, Leadership and Mentorship Program invites you to join this 12-month collaboration as a mentor. As a mentor you will assist students in discovering interests, developing motivation that will help students become successful leaders. Currently, the committee has many devoted students ready to participate in the PVC Career Leadership and Mentorship Program. The purpose of the program drives the personal and professional development of students through their mentor (you). throughout the process each student will be paired with a chosen mentor from the community based on the students' educational goals, they will learn their interests as well as identify challenges and obstacles they could potentially face along the way.

Program highlights:

- **10 hours each month as a mentor**
- **Develop future employees in your field**
- **Meet and network with other professionals**
- **Only 1 year commitment**

We are looking forward to working with you. Please, complete the interest form attached to this letter. Feel free to contact Germán de la Peña at (760)921-5448 or at german.delapena@paloverde.edu for any questions, comments, or concerns you may have.

Sincerely,

Germán de la Peña
